O'ZBEKCHA ENGLISH

Senior darajadagi Android dasturchiman, Flutter'da ham senior darajadaman — «O'zbektelekom» ortidagi ilovalarni quraman. Jamoamda Android team lead vazifasini bajaraman: loyihalarni nazorat qilaman, ularning arxitekturasini qanday qurilishini kuzataman va yangi loyihalarni ishlab chiqaman.

Foydalanuvchiga yo'naltirilgan mahsulotlar ishlab chiqishda 6+ yillik tajriba. Yuqori sifatli mahsulotlarni o'z vaqtida yetkazib beraman; korporativ darajadagi tizimlarni qurish va joriy etish tajribasiga egaman.
